

CONFETTO COLLECTION

Confetto is a new small-size porcelain stoneware collection that rediscovers the charm of authentic ceramics. With a hand-made touch, the result of a new hi-tech industrial craftsmanship. The surface is semi-matt, 'sugared', soft to the touch and is produced in a wide colour palette and two modular 50x150mm and 100x100mm sizes.

Floor: Confetto Salvia 50x150mm
Wall: Confetto Bianco 50x150mm
