

A close-up photograph of ceramic tiles. The tiles feature a vibrant rainbow gradient, transitioning from light blue at the top to deep red at the bottom. A fine grid pattern is visible on the surface of the tiles. The tiles are arranged in a staggered pattern, creating a sense of depth and texture.

MELANGE COLLECTION

Made in Spain, discover the new ceramic collection, where colors intertwine in a rainbow of perfect transitions. Each piece is a work of art celebrating the harmonious fusion of shades, like a sunset gently fading into the night. Experience the deconstruction of colors that transforms the perception of transitions.
